## RACE OR WAGER!!

MONDAY, AUGUST 28, 2017<br>STERLING HEIGHTS REC CENTER 6:30 P.M.<br>(Doors open at 6:00 p.m.)

We're off to the races! In August four teams of Grover athletes will be competing in wacky games of skill and daring. (See the Tip Sheet on the next page to get the scoop on these racers.)

Not only will watching your friends and neighbors going to hilarious lengths to win each race both entertain and amuse, you will have the chance to bet on the winners and win BIG PRIZES (OK. . . "big" for a Grover event) by amassing the most money by the end of the evening.

For the paltry sum of $\$ 12$, you will be given $\$ 200$ in Grover Cash and a Boxed Meal from Panera. Just be sure to specify your meal option when buying your ticket:

OPTION 1: Italian Sandwich, Fuji Apple Salad with Chicken, Chips \& Chocolate Chip Cookie

OPTION 2: Roasted Turkey \& Avocado BLT, Strawberry Poppyseed \& Chicken Salad, Chips \& Lemon Drop Cookie

OPTION 3: Mediterranean Veggie Sandwich, Greek Salad, Chips \& Oatmeal Raisin Cookie

Whether you race or whether you wager, you're sure to have a hoot at this first-of-itskind event.

## RACE OR WAGER TIP SHEET

## TEAM BLUE: Two Guys \& a Blonde

Skip Gudeth, Marsha Herring \& Wayne King

Race Or Wager will be the very first competition for this team. Originally known as Skip, Chip, and the King, this group lost Chip Carpinski to a lower back injury sustained in last year's two-man Hula Hoop Hostility. After considering retirement, the remaining members saw a You-Tube video of Masterly Melissa running hurdles holding two salt-rimmed, full Margaritas without spillage. A quick email exchange later Two Guys \& a Blonde became a team to watch.

## TEAM RED: A Rose between .. .

Ed Rankin, Kat Rankin \& Jim Maloney

This award winning team has defended its title as Chainsaw Juggling Champion Clown Division for the last three years. They were originally formed from three highly successful individual competitors. Ed the "Mad Hatter" still holds the record for the most raw eggs transported on top of a hat without breakage. Ninja Jim made his reputation in limbo relays because he didn't have to crawl - he just ducked. And Rose is the only competitor ever to pick up a dozen Cheerios on a mouth-held toothpick in under 20 seconds.

## TEAM GREEN: The Lean, Green Machine

Terri Behar, Nelson Behar \& Donna Pelech

Initially, this group was created as an in-house competition team for Smoothie King: Terri on veggies, Donna on fruits, and Nelson, "The Finger," on the blending machine. They became the rock stars of smoothie-bars nationwide. Fame lead to contract controversy and ultimately free-agency. Since they began competing as independents, they have become known for a maneuver that requires a 30 -second green smoothie to be poured from shoulder height into the mouth of a team member laying on the floor . . . without a mess. This extraordinary move now bears their name: The Don-Ter-Nel No Drop....Drop.

## TEAM YELLOW: The Lemon Sisters

Eve Young, Ev Emmons \& Sandy Johnson

Well known throughout the Southeast, this group of competitors has dominated all comers on the Fast Fruit Fetch circuit. They set a new regional record for a successful three-person navigation of a twelve-station obstacle course while carrying citrus fruit without using their hands. They have parlayed this amazing display of balance into a sponsorship from Victoria's Secret, and it was their marketing department that suggested the group change their name from Frenetic Fruits to The Lemon Sisters.

Last night we had our most informal event of the year. It was a pot luck dinner followed by indoor card games or outdoor pool time. Everyone brought lots of yummy food to share, and with the club providing the desserts most of us were cursing our scales the next morning. Afterward some stayed inside to play games, kibitz, hoot-and-holler; others went into the pool to walk-away-thepounds and chat. The smaller than normal crowd gave everyone the chance to get know each other a little better.

Thank you everyone who supported this "slow month" event.
It must be the lazy days of summer, because I'm lazy and it is definitely summer! Don't forget to slather on the sun screen and stay hydrated!

Many of us are traveling and/or expecting family and friends as guests. Don't forget, if you have house guests during one of our monthly events, you can purchase tickets for them when you purchase your own.

## GROVER EXTRA!

- 

Mark your calendars for another Grover Extra: On Wednesday, September $27^{\text {th }}$ you will have a chance to play night golf at Escambia. Not only will you have fun with fellow Grovers, you will have a perfect excuse for that less-than-stellar score! After all - how can you be expected to put the ball in the hole when you can't really see either?

## GOOD TO KNOW

We had so much food at July's social that Robin Harding ended up taking 40 cups of ice cream and three dozen cookies to the Wildwood Soup Kitchen. Robin reports that they were thrilled with our donation.
