May and June Events are Cancelled

In the interest of the health and safety of our members, we have cancelled the May and June Events. Even though the Recreation Department is permitting clubs and organizations to meet in the recreation centers, in June, it is not yet clear whether the current restrictions of wearing masks and staying six feet apart will still apply, at the end of June. We believe that the reopening experience, in June, will provide more clarity regarding any necessary restrictions.

We continue to monitor the COVID-19 Virus situation within The Villages and we will keep you informed as to when it will be safe to hold an event.

In the meantime, we wish you good health and urge you to stay safe.
