

LAKESIDE GROVER SOCIAL CLUB 2021 BOARD OF DIRECTORS

The Lakeside Grover Social Club Board Positions that were open for 2021 were Vice President, Treasurer and Events Director. Acting Vice President Skip Gudeth agreed to stay on the Board in 2021, as did Treasurer Jim Maloney and Events Director Maureen Brown. In addition, Mike Pelech, whose term would be over in 2021, agreed to stay on for 2021.

In 2020, COVID-19 required the Recreation Department to impose restrictions that made it impossible for us to hold meetings and events. Those restrictions are still in place. To ensure that we will meet only when it is safe to do so, we will continue to suspend meetings and events, until the Recreation Department's restrictions are lifted. As soon as it is possible to safely restart those activities, we will do so.

Below is the 2021 Board of Directors. Thank you for your patience. We look forward to gathering with you, in a fun and safe environment.
